Hi! My name is Ricky.
I have a big family.

①

This is my mom. She is short
and fat. She is very kind.

②

This is my dad. He is very
tall and very thin! He is
not strong.

③

This is my grandfather.
He is old and slow.

4

This is my grandmother.
She is old, too, but she
is happy.

5

This is my sister. She is
beautiful and tall.

6

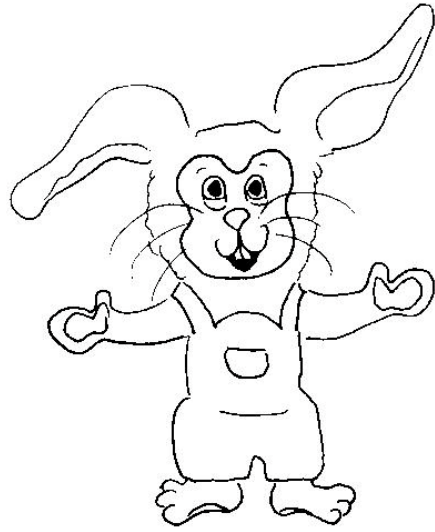

This is my brother. He is
young and small. He is
serious and very smart!

7

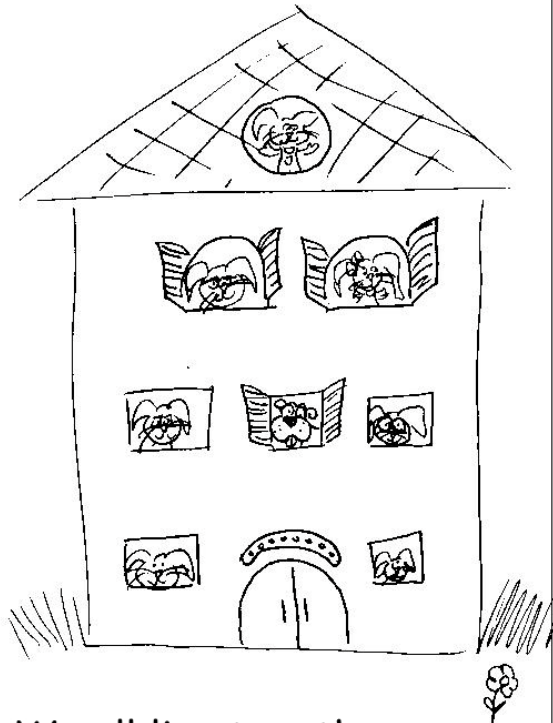

This is my dog. He is big, stupid, and ugly, but I love him. We are always together.

8

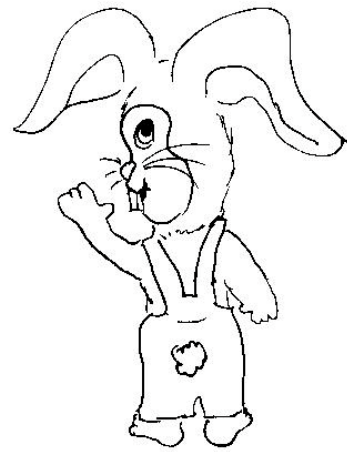

And me? I am funny and kind. I am not tall. I am happy because I have a wonderful family.

9

We all live together in a big, old house.

10

Goodbye!
